Sir, we cannot let this rare occasion to go without placing before you a few of our wants, even at the risk of tiring you. The question of the grant of Honours to the Mutt is still pending before the Government, as also that of an annual grant. There are so many other institutions which have been well provided with inams and jahagirs in the past and which are in receipt of substantial annual grants also. As we are trying to overhaul the whole mutt, organise and introduce orderly progress and are in real need of substantial help from Government to lay the foundations on sure and useful lines. We have not got any appreciable area of wet lands for the Mutt and we are eagerly looking to the Government to grant us a decent block of lands under the Irwin Canal.

Extract from the address proposed to be presented to the Dewan by the devotees of the Sri Adi Chunchanagiri Mutt.

It is our desire to possess a forest in the neighbourhood of the Mutt which, while improving the vegetation and adding real beauty to the surroundings, would at the same time be in keeping with the traditions of such a heritage. We would require for this purpose the addition of S.No.148 of Chunchanahalli Village which comprises of a small hillock to the Mutt Gomal lands, and of the waste lands of Byalakere village adjoining the Mutt land S.No.138 of Chunchanahalli village to the east. (A real disability the Mutt is suffering under is in the matter of collection of shop rents during the annual jatra and toll on cattle during the cattle show. We beg -- humbly to submit that it is a serious encroachment on the -- rights of the Mutt and what is more, it makes it impossible for the Mutt to regulate the business during the jatra.)

UW These papers relate to the grant of certain concessions applied for on behalf of the Sri Adi Chunchinagiri Matha. The several requests are detailed in the Muzrai Commissioner's letter of 15th June 1928. In addition to these a block of land under the Irwin Canal is also applied for. The requests may be broadly classified under four heads:- firstly, grant of honours and privileges to the Swami of

NOTE—Contn. sheet

the Matha, secondly, sanction to the levy of fees on shops, cattle etc., on the occasion of the annual jatra at Chunchingiri, thirdly, an annual cash grant of Rs 6,000/- for daily feeding and imparting religious instruction etc., and fourthly, grant of a block of land under the Irwin Canal for the benefit of the Matha.

50 As regards the first item, the agent states "there are hardly any records in the Matha relating to its previous history and there is nothing defining exactly the rights and privileges of the Matha. * * * * So it is necessary to have definite orders about some of the privileges of the Matha".

51 From some papers that we were able to trace in the vernacular records of the Secretariat, it would appear that this institution has been considered as a private matha with no grant or tasdik from the Sircar and was "one of 12 mathas of the same principles and creed below and above the ghats." The guru of the Matha is stated to have had (1) a seal of the Matha, (2) a horse, (3) a chattri (4) a chamara and other things.

52 The Government order of 13th November 1919 lays down certain principles for the use of insignia by private persons other than mathadhipathis. I think it is necessary to formulate certain broad principles for regulatin

Serial No.

the grant of new honours and privileges to Mathadhipathis whose cases cannot be disposed of under custom or mamool. Th~~is~~e disposal of the first set of requests will necessarily take some time.

53 Orders are urgently required as regards the second item. It is stated that the jatra is coming off on the 23rd instant. Though the jatra at the place is an old one, it has not been customary to levy any fees on cattle brought in there or to recover any rent on shops put up on the occasion. The request of the matha is supported by both the Deputy Commissioner and the Muzrai Commissioner. It is recommended that the ~~right of~~ rate of fees sanctioned for the jatra of Sri Siddalingeswara Swami temple at Yediyur, Kunigal taluk may be adopted in the present case ~~also~~ and that a fee of one anna per head of cattle may also be levied. It is ~~also~~ stated that the matha is making necessary sanitary arrangements in connection with the jatra. If there is no legal objection to the levy, the Muzrai Commissioner's recommendation may be sanctioned.

54 As regards the cash tasdik and the grant of land under the Irwin Canal, the Muzrai Commissioner's promised communication regarding the latter may be awaited.

56 The requests of the Mutt other than the levy of fees on the occasion of the jatra requir early disposal. The Muzrai Commissioner may be requested to furnish the information which he has promised and the case may be made ready for disposal early.

57 As regards the levy of fees on the occasion of the jatra, the proposal requires careful consideration. The Mutt has no authority to impose a scale of fees to be paid by persons who open stalls at the place of the jatra or who take their cattle there for sale, except in the form of rent for the use of the land, if any, which belongs to the Mutt and on which the jatra is held. It seems to me that the whole question has to be viewed from the point of view of the proprietorship of the land on which the jatra is held. There is no information in the file to show on what land the jatra is held and to whom it belongs. If it belongs to the Mutt, it may levy such fees as the persons that desire to use the land, are willing to pay. The Muzrai Commissioner states that he has sanctioned a scale of fees for levy on the occasion of the jatra of the Sri Siddalingeswaraswami Temple at Yediyur in the Kunigal Taluk. I do not know on what authotity he has accorded this

sanction. It can be defended only if the institution is under the management of Government and the entire jatra is held on land belonging to the temple.

51 As regards the jatra at Chunchungiri, it is stated that no fees have hitherto been levie What is now proposed is a new arrangement and any procedure adopted should be strictly legal. If the land on which the jatra is held, belongs to the Mutt, the latter might impose a reasonable scale of fees ~~by~~ which the persons concerned are willing to pay. If the land on which the jatra is held, does not belong to the Mutt, then the latter will have to obtain the consent of those to whom the land belongs. If the land is in private holding, the Mutt has to make its own arrangements with the holders of such land. If the land belongs to the District Board or the Village Panchayet, the matter has to be settled with these Local Bodies. If the land, however, is Government land, such scale of fees as the Muzrai Commissioner considers reasonable, may be permitted to be levied and appropriated by the Mutt subject two conditions: (1) that adequate arrangements are made for the sanitation of the land on the occasion of the jatra in consultation with the District Board, and, (2) that the permission accorded for using the [illegible] is temporary

Honours to religious institutions are governed by mamool and as a general rule, only such honours as are proved to have been granted in the past and actually enjoyed by them, are continued. The enquiry into mamool in this case has only elicited the fact that there is an allusion in a document dated 26th April 1820 to the use by the Mutt of the following:-

(1)	Horses	..	15
(2)	Pallakki	..	1
(3)	Swords	..	2
(4)	Muskets	..	2
(5)	Burgis	..	4

None of these are honours except perhaps pallakki and they are only processional paraphernalia.

Neither any authority for grant of honours in the past nor any evidence of long enjoyment of particular honours is available for dealing with this case and the representation has, therefore, to be treated as a request for grant of honours for the first time

The

The chief factors to be considered in deciding what honours should be allowed to a Mutt are the following:-

(1) Its antiquity;

(2) Number of its disciples;

(3) Its importance as indicated by the Inams, if any, enjoyed by it;

(4) Its religious importance;

and (5) The character and learning of its Heads.

This is no doubt, a fairly ancient institution and it has also a large number of disciples. The Mutt has no Inams - cash or land - and a temple situated in it has a jodi dry land of 27 acres. The incumbents of the Headship of the Mutt have been, for a long time, persons quite unworthy of the position held by them as they possessed neither learning nor character, and there are a number of references to this point in the records. The religious reputation of the Institution has therefore been very low and for the first time now, an attempt has been made to choose for the Guruship of the Mutt a person of good character.

In his representation, the Agent of the Mutt has applied for the following honours:

> "the honours - Royal, Special and Ordinary - that have been granted to Sri Uttaradi and Vyasarayasvami Mutts as also to Ujjini, Murgi and Balehonnur Mutts, including Pancha-Kalasa"

The attached statement shows the honours allowed

to

NOTE—Contn. Sheet.

to the five Mutts mentioned by the Agent. The honours granted to these Mutts differ and only a few of the honours are common to them all. The Agent does not enumerate the honours prayed for and it is therefore somewhat difficult to deal with the Mutt's representation.

P.H.D (Para.)

This is what the Muzrai Commissioner states in regard to the request of the Mutt:- "I do not think it is desirable to allow them to use Pancha-Kalasa, nor do I think we should place this Mutt on an equality with the ancient institutions referred to in the petition. In my opinion this Mutt may be placed in the same category as Chowdadanapur Mutt."

Honours are matters of relative distinctions and the position of this Mutt has to be kept in view in settling what honours should be allowed to it. It is also necessary to see that any grant made in this case will not invite applications for more honours by other Mutts

ROYAL HONOURS.-

The Uttaradi Mutt is allowed the following Royal Honours:-

(1) Ambari on elephant;
(2) Navabath;
and (3) Aftagiri.

It is out of the question to allow Ambari on elephant. Navabath is considered a high honour

and

Serial No.

and has been very sparingly given. Among the Mutts mentioned in the representation only two, viz., Uttaradi and Balehonnur Mutts have it. Navabath need not therefore be allowed to this Mutt. Aftagiri is allowed in many cases and it may therefore be granted to this Mutt as well.

The other Royal Honours to be considered are the following:-

(1) Hagal Deevatige;
(2) Makara Thorana;
(3) Davala Sankha;
(4) Morchal;
and (5) Sure-Pana.

No. (1) is allowed to Vyasarayasvami, Ujjini, Balehonnur and Murgi Mutts; Nos. (2) and (4) to Ujjini, Balehonnur and Murgi Mutts. These ~~two~~ three honours may therefore be allowed to the Chunchangiri Mutt. No. (3) has been allowed only to the Balehonnur Mutt among the five Mutts mentioned by the Agent. If it is allowed to this Mutt, others will also ask for it and it need not therefore be granted to this Mutt. No. (5) is not allowed to either Utta~~d~~radi, Ujjini or Murgi Mutts and it need not therefore be allowed to this Mutt.

SPECIAL HONOURS.-

Simhalaladatha Pallakki is an honour allowed only to the Vyasarayasvami Mutt. As it has not been allowed either to Ujjini, Balehonnur or Murgi Mutts, it cannot be allowed to the Chun-

changiri

General and Revenue Secretariat. Muz. File No. 375 of 1927.

Chunchangiri Mutt.

An ordinary pallakki is, however, necessary both as a means of conveyance for the Head of the Mutt and also as a distinction and it may be allowed.

Pancha-Kalasa and Sveta Chatri are held to be honours "pertaining to Royalty exclusively" vide letter dated 19th August 1915 from the Huzur Secretary to His Highness to the Dewan. Pancha-Kalasa has not been allowed to any of the five Mutts mentioned by the Agent. Sweta-Chatri has however been allowed to them In view of their ~~the~~ nature ~~of these two honours~~ as stated in the Huzur Secretary's letter referred to above, these two honours ~~they~~ need not be conferred on this Mutt.

X1 (Linked file)

Nishani on elephant is allowed only to the Uttaradi and Ujjini Mutts and Nishani on camel only to Vyasarayaswami, Ujjini and Balehonnur Mutts. Neither of these honours is allowed to the Murgi Mutt which is of considerable importance among Lingayets and what is not granted to the Murgi Mutt cannot be given to the Chunchangiri Mutt.

Nagari on elephant is allowed to Uttaradi and Balehonnur Mutts, while Nagari on camel only to Vyasarayaswami and Balehonnur

Mutts

Mutts. As these honours are not allowed to some of the Mutts ~~mention~~ including the Murgi Mutt mentioned by the Agent, they need not be granted to the Chunchangiri Mutt.

Danka on horse is an honour allowed to most of the Mutts and it may therefore be granted to this Mutt also.

Nishanis of particular kinds of colour are used by Mutts according to their traditions. It is not known whether this Mutt has any such tradition and the consideration of this item may in the absence of information on this point, be left out.

Bhu-chakra kodai, Surya Vadya, ~~&~~ Chandra Vadya and Chamara are honours allowed to many Mutts and this Mutt ~~may~~ also may have them.

Chowri is not allowed to Murgi, Ujjini and Uttaradi Mutts and need not therefore be allowed to this Mutt.

The honours proposed above to be granted to this Mutt and those recommended by the Muzrai Commissioner on the analogy of those allowed to Chowdadanapur Mutt are as under:-

As regards the usual items of processional paraphernalia which are not of the nature of honours or insignias, such of them as are considered necessary by the Mutt may be permitted to be carried.

The Agent has asked for the conferment of the title of "His Holiness" and "Sri Jagad Guru" on the Head of the Mutt. "His Holiness" and "Jagad Guru" are not Honours and therefore no question of conferring them arises.

The concession of exemption from payment of tolls is allowed to Mutts who hold Sanadaris issued by competent authority: vide Notification dated 13th August 1928, and this Mutt will get it in the usual course.

The usual travelling facilities may be extended to the Head of this Mutt when he goes out on tours as in the case of the Heads of other Mutts.

Orders allowing exemption to the Head of the Mutt from attendance at Civil Courts are under issue from the Judicial Branch.

The question of permitting the Mutt to levy rent for the use of the land on which the annual jatra is held, has been settled: vide letter No.1372/Muz.375-27-11 dated 20th March 1929 to the Muzrai Commissioner.

An annual cash grant of Rs 6,000 is asked for by the Agent and the Muzrai Commissioner has suggested that a sum of Rs 100 per mensem might be allowed. The cash Inams now enjoyed by Mutt are all based on Sannads granted in the past and the practice of making fresh grants of this nature to Mutts has not been in vogue for a lon time. The request for a cash grant cannot therefore be complied with.

The Muzrai Commissioner in Mysore.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

I have the honor to forward herewith an application made to me by the Agent of the Sri Adichunchangiri Matha requesting the grant of the following concessions:--

1. That the honours, including Panchakalasa, allowed to the Sri Uttaradi, Sri Vyasarayaswami, Sri Ujjini, Sri Murgi and Sri Bale-honnu Mathas may be granted.

2. That the Swami may be designated as His Holiness Sri Jagadguru Bhakthanatha Swamigalu.

3. That the Amildars be instructed to give necessary Police help for the safe travelling, Camping and convenience of the Swami and his retinue,

4. That the retinue may be exempted from payment of tolls,

5. That the Swami may be exempted from personal appearance in Courts.

6. That levy of fees on shops, cattle etc., on the occasion of annual jatra at Chunchingeri may be sanctioned and

7. That an annual cash grant of Rs.6000/- may be given for daily feeding and imparting religious instruction etc.,

2. It is only very recently that the Government have recognised th appointment of a Vokkaligar as Swami of the Matt and as in the case of every young ~~A new~~ institution the persons connected with such an ~~this~~ institution are lik

to entertain a very exaggerated view of its importance and honours to be rendered to the Swami. A considerable amount caution is therefore necessary so that no hostility may be rous by their arrogating to themselves the honours and privileges -- enjoyed by others.

3. In regard to styling the Swami as Jagad Guru, I may be perm ted to quote the following passage from Government Order No.4506/ 55-08-9 dated 12th December 1902.

> "Government cannot accept the Deputy Commissioner's view t the word Jagadguru as used by the Murgi Matt constitutes a tit They see no objection to the Swami styling himself Jagadguru and to his disciples praising him as such. They agree, however, with the Deputy Commissioner in thinking that a flag with such - an inscription constitutes an insignia, and they uphold his ---- action in prohibiting this on the ground that it is not authorised by the Bahadari."

Though I do not know what advantage the disciples of this Matt derive by calling their Swami Jagad Guru, yet as there is no objection to their giving him as exalted a place as possible, the principle laid down by Government in the aforesaid order may be followed in the -- present case also.

4. In regard to the honours, I do not think it is desirable to allow them to use Panchakalasa nor do I think we should at once -- place this Matt on an equality with the ancient institutions ----- referred to in the petition. In my opinion, this Matt may be placed in the same category as Chodadanapur Matt, in regard to which the *following honours are allowed as per Government Order -- Nos.1586-7/M.F. - 24-75-2 dated 7th June 1926 and 1731/ M.F.269-27-2 dated 30th March 1928.

1. Makarathorana	Vide G.O.No.1586-7/ M.F.24-75-2 dated 7th June 1926.

8. Bhoochakradakode	
9. Suryavadya	
10. Chandravadya and other ordinary insignias.	

5. The question of giving a new grant to this institution is

the Vokkaligars form a large majority of the population of -- Mysore and the appointment of this Swami is likely to give considerable impetus to their religious and social amelioration, I think a special grant of about Rs.100/- may be sanctioned per month. I am not in --- favour of any of this amount being used for daily feeding but it should be used for some strictly religious purposes such as worship instruction etc. Government have in recent years given a special grant of Rs.1800/- a year to Sri Guru Dattatreya Bababudan Darga to meet the expenses of the charity connected with the Darga in addition to Darga's own requirements and any --- similar concession to this institution is likely to be widely appreciated.

The Swami may be exempted from personal appearance in the Civil Courts of the State as in the case of other mathas. The privilege is a personal one and it seems to me that both by piety and the veneration with which he is held by the community, the honour is well deserved by the present Swami and it may be conferred on him.

7. As far as the levying of fees on shops and cattle during the jatra is concerned, a report will be called for from the local officers and on their recommendation I shall always be prepared to view the requests of the Swami as generously as possible.

8. The other requests made by the Agent regarding the travelling -- facilities and exemption of payment of tolls will be complied with if it is decided to issue a general Rahadari mentioning the insignias referred to in para 4 supra.

I have the honor to be,

5/6/28

No. 1630/27-28
JUN 7 1928

From

M.C. Linge Gowda,
Agent, Sri-Adi Chunchanagiri Mutt,
Nagamangala Tk. Mysore Dt.

To

The Muzrai Commissioner in Mysore,
(camp) Mysore.

Sir,

I beg to bring the following matters for the kind consideration of Government and to pray for early orders on the same.

Sri Adi-Chunchanagiri Mutt is one of the most ancient Mutts in the Mysore State and has the largest number of disciples in the State. Unfortunately, owing to a succession of ill-qualified Swamies in recent years, the Mutt had lost its influence and ceased to command the respect it deserved. The Mutt has all along been known as Dharma-Peetha. Now this ancient Mutt is again to see a glorious revival under the regime of Sree Swami Bhaktanathji, who, thanks to the choice of the devotees and the decision of Government has been chosen for the high office as the worthiest person to fill the place. I beg to submit that the state of affairs of the Mutt at the time of our taking over charge was such that we had to begin everything with a clean slate. There are hardly any records in the Mutt, relating to its previous history and there is nothing defining exactly the rights and privileges to the Mutt. So it is that I submit that it is necessary to have definite orders about some of the privileges of the Mutt.

Honours.- There is nothing in the available records at the Mutt to show what honours the Mutt is entitled to, nor can we get sufficient data regarding the mamool in view of the neglect referred to already in the past. It is submitted therefore that the antiquity of the Mutt, its importance and its wide jurisdiction have to be taken into consideration in deciding what honours the Mutt is entitled to. I pray that, in view of the

above

above circumstances, Government may be pleased to sanction for the Sri Adi-Chunchanagiri Mutt, the honours -Royal, special and ordinary - that have been granted to the Sri Uttaradi and Vyasarayaswami Mutts as also to Ujjini, Murgi and Bale-Honnur Mutts including panchakalasa.

Title.- I beg to submit that the designation which is sometimes employed to the presiding Swamigalu, as the Ayya of the Mutt is not a very happy one considering the dignity of the office, and the progressive character of the new administration of the Mutt. I pray that the usual designation in English may be His Holiness Sri Jagadguru Bhaktanath Swamigalu and in Kannada - ಶ್ರೀ ಜಗದ್ಗುರು ಭಕ್ತನಾಥ ಸ್ವಾಮಿಗಳು

3. Help when on circuit.- The swami of the Mutt has to travel in the State (and not infrequently outside the State also) when it will be necessary that sufficient police and other help should be given to him and his retinue. I pray that Government may be pleased to pass an order instructing all Amildars in the State to give all necessary help, police and otherwise, for the safe travelling, camping and convenience of the Swami and his retinue.

4. Exemption from payment of tolls.- I pray that the Mutt retinue may be exempted from payment of tolls as in the case of other leading Mutts.

5. Exemption from attending Civil Courts.- I pray that the usual privilege of exemption from attending courts in person may be given to the Swami of Sri Adi-Chunchanagiri Mutt.

6. Jatre.- A week after the Shivarathri festival, a very big jatre takes place and in that connection a cattle show also is held. It may be necessary for us to secure a specific sanction for the levy of ground rent for shops and for the levy of such other fees and duties as are usually recovered at other jatres and cattle-shows. I pray that orders may be kindly passed about these matters also.

7. Annual grant from Government.- The Mutt does a lot of

feeding ~~dai~~ daily. There will be at least 50 to 60 travellers who sojourn there for a day or two or more on their journeys. The Mutt has also undertaken religious instruction for disciples and is incurring expenditure for the purpose. At present, the revenue of the Mutt is not quite adequate and satisfactory and I pray that Government may be pleased to make an annual grant of Rs 6000/- to the Mutt. I assure the Government that we will put the grant to the best use.

8. I pray that you may be pleased to recommend to Government the sanction of our prayers and help to lay the future of this important and ancient Mutt on solid foundations and to widen the scope of its beneficence.

I have the honor to be,
Sir,
Your most obedient servant,

With reference to your memo No.H.1630 of 27-28 dated 19th July 1928 requesting information whether the previous heads of the above mutt went on tour at any time, I have the honor to state that the Amildar of Nagamangala Taluk reports that from local enquiries made by him it is ascertained that during the last 50 years the previous heads of the Sri Adichunchinagiri Matt never went on tour with paraphernalia, and that no records are fortncoming in the Taluk Office to the contrary. Besides, there is no mamool of the collection of toll on cattle and rent on shops by the Matt during the Jatra occasions.

2. From the records received from the Amildar, it is seen that on 29th December 1915 Thejunathji, the disciple of Adithyanathji, the then Ayya of the Matt., has furnished a statement to the effect that there is an authentic reference dated 26th April 1820 granting the marginally noted Paraphernalia to Basavantnanatha Gosai Pavaji, and that in all the total number of Paraphernalia as per mamool was 25.

In continuation of my letter No.1630 of 27-28 dated 4th February 1929 re the collection of toll on cattle and rent on shops by the Sri Adi Chunchangiri Matha during the Jatra at Chunchangiri I have the honor to forward herewith a copy of letter No.H.260/A.C. dated 28th February 1929, from the Deputy Commissioner (Mysore) -- recommending that the rate of fees sanctioned for the Jatra of the Sri Siddalingeswaraswami temple at Yediyur, Kunigal Taluk, may be adopted for this Jatra also and that the claim of the Matha for the same may be favourably considered. I agree with the Deputy Commissioner and beg to recommend that the claim of the Matha for the income derived from the levy of fees in the Jatra may, as a special case, be granted. I request very early orders of Government as the Jatra will come off on the 23rd instant.

A copy of my order sanctioning the levy of fees in the case of Sri Siddalingeswaraswamy temple at Yediyur is sent for reference. As cattle do not collect in that Jatra a fee of one anna per head of cattle may be sanctioned as in the case of some minor Jatras.

Sri Adi-Chunchanagiri Matt - Nagamangala Taluk - holding of Jatra

------

In continuation of this office letter No.H.260/A.C.dated 9th -- August 1928 and with reference to para 1 of your letter No.1630 of 1927-28 dated 31st January 1929 addressed to the Secretary to Government, Financial Department, in the matter of collection of toll on cattle and rent on shops by the Sri Adi Chunchangiri Matt, Nagamangala Taluk, during the Jatra occasions, I have the honor to state that the Jatra at the Sri Adichunchanagiri is an old one and that the request of the Matt to levy fees on cattle etc., and rent on shops may be favourably considered and sanctioned. The fact that there has been no levy of fees till now is no argument against the claim as the levy in such cases is made only after the Jatra is well established and - becomes popular. The Matt in question is a popular institution and Government have been pleased to give it much assistance which is well deserved.

2. I understand that the Matt is making necessary sanitary arrangements in connection with the Jatra. As the Jatra is an old one and has fully established itself, I recommend that the rates of fees -- sanctioned in your order No.R.Dis.134 of 1927-28 dated 2nd June 1928 for the Jatra of the Sri Siddalingeswaraswami temple at Yediyur, -- Kunigal Taluk, may kindly be adopted for the Jatra of the Sri AdiChuncharagiri Matt.

3. As the Jatra is stated to come off on 23rd March 1929, I request the favour of very early orders in the matter.
